<https://canvas.uts.edu.au/courses/41818/files/12665695?wrap=1>)

Since it's a group assignment, one member from each team should submit the work on behalf of the entire group.

**Report and Code:** This task involves submitting both the report and the associated code. You can find a sample report template on Canvas in section 5.5, which is applicable to all three assignments.
